

Technical drawing of a two-story building facade. The drawing includes dimensions for the overall width and height, as well as the placement of windows and doors.

**Dimensions:**

- Overall width: 59 cm
- Overall height: 30 cm
- Window height: 20 cm
- Door height: 20 cm
- Door width: 10 cm

The drawing shows a two-story structure with a central door and windows on both floors. The dimensions are indicated by arrows and text labels.

Note that door sill begins above height of floor due to external wood stud

Technical drawing of a two-part assembly, likely a mold or frame, showing dimensions in centimeters (cm).

The drawing consists of two main rectangular sections, one above the other, separated by a horizontal line.

**Top Section Dimensions:**

- Overall width: 79 cm (indicated by a dimension line across the top).
- Overall height: 61 cm (indicated by a dimension line on the right).
- Internal height of the central cavity: 30 cm (indicated by a dimension line on the right).

**Bottom Section Dimensions:**

- Overall height: 59 cm (indicated by a dimension line on the right).

**Other Features:**

- The left side of both sections features a series of horizontal slots or channels, each with a small rectangular protrusion on the left.
- The top and bottom edges of the sections are defined by solid lines, while the internal vertical dividers are shown with dashed lines.
- A small rectangular feature is located in the bottom right corner of the bottom section.

Indicates position of identical windows on either side
